6. REPORTS FROM COUNCIL MEMBERS:

Council member Dropiewski gave condolences to the Hammond family and general happy Holiday wish to everyone and best wishes for 2007.

Council member Painter – discussed Ice Rink issues with Matt Sype some discrepancies with the chiller and therefore it won't freeze. Commented on nice job on City Newsletter. Complimented residents on Christmas decorations especially in Pebblebrook Subdivision and Merry Christmas and a good new year.

Council member Wrobel received a letter from a Clerical employee regarding a grievance procedure. Clerical contract states to have a committee set up with 2 council members along with the City Attorney and Painter and Dropiewski stated they would be available to serve preferably during the day. Brought up consolidating Police and Fire Departments. Clerk's Office to send out letter to other communities regarding their feelings on consolidating services.

Council member Gagne discussed Block Grant funds will be increased by population expects allocated for 2007 to be around \$82,000. Has not received the exact totals but should receive soon. Sends condolences to Hammond family and wishes everyone Merry Christmas and Happy Holiday.

Council member Martin expresses condolences to Hammonds and Merry Christmas and Happy New Year. Starting to notice connection was made on cobra lights on Gibraltar Road are starting to take them down....do we know when Huron River Drive's lights will be coming down.

Council member Gagne also brought up some items regarding Bill Vack problems with water supply and they had to go out of the area to get water is there any problem there that we need to correct. Referred back to minutes from 12/4/06 stated challenging problem with infrastructure problem on Seneca and Cook Street hydrant. Mr. Vack explained that yes there could be problem with this particular area and DPS Director, Asst Director and City Engineer and working on to correct.
