9am – 3pm (Monday – Thursday)
9 am – 11am (Friday)
- **U.S. Passport Book:** Valid for travel by air, sea or land
- **U.S. Passport Card:** Not valid by air. Valid for land and sea crossing.

Detailed information on applying for a new U.S. passport can be found on our website at www.flatrock.org.

City Council Meetings

City Council Meeting are held the first and third Monday of each month at 7:30 P.M. at the Flat Rock Municipal Building, 25500 Gibraltar Road, Flat Rock, MI 48134.

Garage Sale Permits

Prior to holding a garage (yard) sale, you must apply for a permit through the City Clerk's Office during normal business hours for a fee of \$5.00. The permit must be displayed in your front window.

Residents may hold a garage sale for 3 consecutive days, 2 times per year on any date in which you choose. No sale shall be held except between the hours of 9:00 am and 7:00 pm. In addition to 2 regular garage sales a year is the two (2) CITY-WIDE GARAGE SALES a year that was approved by Council in May of 2010.

One (1) sign advertising for your garage sale may be erected or placed on the premises of the sale and must be removed immediately after the third day of the sale. Signs placed other than the yard they are advertising in will be removed.

Find out how to register to vote, election information, and your precinct location at www.flatrockmi.org

Emergency Services

Fire – Rescue – Police

Emergency 9-1-1

Emergency 9-1-1 telephone system is designed to provide you with quick and easy access to emergency assistance when you need it by dialing 9-1-1.

What is an emergency?

- All medical emergencies
- All “in progress” crimes
- All crimes against persons (i.e. assaults, rape, robbery, etc.) regardless of time of occurrence.
- All fires
- All motor vehicle accidents having just occurred
- Any life threatening situations

Police Reports

To obtain a copy of a police report, just fill out a Freedom of Information Act form. This request should take no longer than 5 days to process and can be done 24/7 at the Police Station.

Accident Reports

Accident reports maybe purchased online at <http://www.tracview.com/>.

Pay Tickets

Tickets can be paid for online at <http://www.paypoliceticket.com/>.

Vacation Forms

The Flat Rock PD provides vacation checks to residents' houses when they are away. Simply come in and complete a form. This allows officers to conduct perimeter checks and make notifications in case of an emergency. This form is also used to let us know who will have the authority to be in your home or on your property.

911 SHOULD ONLY BE USED FOR AN EMERGENCY!

All non-emergency calls:

Fire Department..... 782-2500

Police Department..... 782-2496

For Animal Shelter Information Contact Police Dept.

Flat Rock Community Schools

leaders in learning

Innovative Academics:

- Strong and Continuous commitment to college examination preparation.
- Consistent 94% graduation rate
- 95% of graduates attend a college or university
- Class of 2015 graduates were awarded nearly \$3,000,000 in scholarships from local donors, universities and foundations
- Many unique options for students: Accelerated Learning, Advanced Placement, Dual Enrollment and Career Technical Education opportunities
- Differentiated Literacy Program maximizes individual growth through fun, inspiring and creative activities
- 95% of teachers hold post-graduate degrees
- Virtual and online classes expand middle and high school course selections

Prolific Learning Environment:

- New buildings, labs and classrooms provide a fresh learning experience
- Extensive technology program begins in Kindergarten
- Diversity-inclusion-acceptance: "We are all Rams here"
- Top-notch security equipment and procedures ensure a safe and secure learning environment
- Parent Connect gives parents online access to behavior, grades, homework and attendance
- Clearly defined academic and behavioral expectations for students
- District-provided transportation

Extensive Athletic and Extracurricular Opportunities:

- More than 90% of students participate in musical, athletic, and/or club activities
- Strong athletic tradition with a history of Huron League, District, Regional and State Titles
- MHSAA-sanctioned athletic opportunities in 18 sports, many starting in 7th grade: Baseball, Basketball, Bowling, Competitive Cheerleading, Cross Country, Golf, Hockey, Football, Soccer, Softball, Track & Field, Volleyball and Wrestling
- Leadership/growth opportunities include National Honor Society, DECA, HOSA, and more
- National award-winning Welding program

Award Winning Arts Programs:

- Instrumental music programs start in 5th grade: beginning and middle school bands; high school concert, jazz and marching bands and Color Guard
- Fine Arts program included visual arts, theatre and vocal music
- Music offered in grades K-5; choral and glee programs at middle school level
- State-of-the-art 600-seat auditorium accommodates school programs and community events

Two Kindergarten Options:

- Our Young Fives program is specially designed to teach skills needed to be ready for school in a fun, creative and encouraging environment.
- Kindergarten programs include Writer's Workshop, which builds fluency in writing and Everyday Math, promoting hands-on learning for a strong mathematics foundation.

**Kindergarten registration is underway; School of Choice applications are currently being accepted for all ages.
Sign up today!**

Residential Solid Waste Pick-Up

Trash cans must be **no larger** than 32 gallon size and **must not** weigh more than 50 pounds when filled with trash. Cans should have 2 handles and tight fitting lids. Wheeled containers are **not** recommended, as the contractor will **not** be responsible for damaged wheels. Cardboard boxes are **not** to be used as trash containers. They must be broken down, tied and bundled.

Carpet and padding must be cut **no longer than 4-foot lengths**, rolled and tied in bundles not to exceed **50** pounds.

Latex paint can be put out for trash pick-up; however, the paint must be in solid form (paint can be dried by adding kitty litter or oil-dry to the paint and leaving the top off the can). Oil-based paints must be saved for the city's bi-annual household hazardous waste day.

Compost must be placed in specifically marked 30-gallon cans (Yard-Waste stickers are available at City Hall), or in 30-gallon biodegradable bags. It is to be placed 3-4 feet from rubbish for proper collection. Bags or cans must not weigh more than 50 pounds. Compost pick-up is from mid-March until mid-December. Compost placed in plastic bags will **not** be picked up.

Items such as refrigerators, freezers, washers, dryers, dishwashers, steel bathtubs, couches, chairs, mattresses, box springs, televisions, lamps, tables, dressers, etc. must be set out to the curb with your trash before 7:00 AM on your trash day to be picked up by the rubbish contractor.

Doors must be removed from refrigerators and freezers for pick-up. The rubbish contractor will remove Freon. Please **call the Department of Public Services at 734-2470** before placing large items on the curb so that we can notify the rubbish contractor to pick them up.

Christmas trees will be picked up at the curb for three weeks following the Christmas holiday.

Rubbish collection is not scheduled on New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas. Should a holiday fall on your regular trash pick-up day, collection will be delayed one day that week.

If at all possible, place rubbish on **top** of snow so that is it accessible from the road.

Large items such as swing sets (disassembled), large steel structural items, car parts, glass doors, windows, paneling, countertops, lawn mowers, pool heaters, furnaces, central air conditioner units, construction material such as drywall, lumber, roofing material, bricks, cement blocks, broken concrete, gravel, sod, stone, dirt, etc. will be picked up by the Department of Public Services on Mondays.

Tree branches are to be placed at the curb with cut ends facing the same way, no longer than 6-8 feet, in an orderly fashion. Small amount of branches should be tied and bundled together. Tree stumps and branches will be picked up by the Department of Public Services on Mondays.

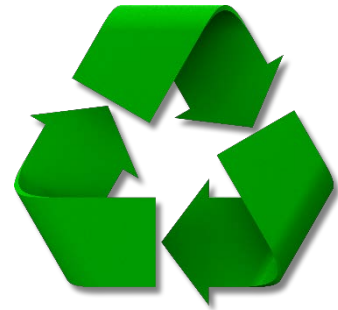

Recycling Program

Flat Rock currently participates in a curb-side recycling program. Each house has been given one free recycle bin, which is to remain with the house when moving. If you wish to purchase additional bin, they are available at the City Treasurer's Office for a fee of \$12.00 per bin. Recycling day is the same day as your regular trash pickup.

Only the following items are acceptable for the recycling bin:

Glass Clear, brown, and green bottles and jars.
Remove the lid and rinse the container.
Labels may stay on.

Tin & Aluminum Cans Food & beverage cans only.
Rinse and Remove label and if possible
Remove bottom and flatten the can.

Newspapers Newspapers and any inserts that come with the paper.
Tuck newspapers neatly to one side of bin.

Plastic Bottles

Plastic Bottles with a  or a  on the bottom are acceptable (common types are milk jugs, water bottles, laundry product bottles, soda pop bottles). Any bottle with a different number on the bottom must be placed in the rubbish at this time. Remove cap (place cap in rubbish) rinse container and step on it to flatten; labels may stay on.

What **NOT** to place in your recycling bin:

- Motor Oil and/or Motor Oil Containers
- Rubbish
- Plastic or Paper Bags
- Plastic Containers with number 3-7 on the bottom
- Window Panes, light bulbs, ceramics or drinking glasses
- Phone books, magazines, envelopes, or other paper besides newsprint
- Grass, leaves, or other yard waste

Motor Oil is **NOT** to be placed in your recycling bin. The following Auto Zone locations will accept up to 20 quarts a week without charge...with the anticipation that you will purchase your motor oil from them. The Auto Zone locations are:

*14200 S. Telegraph Rd. in Taylor, 3234 Vanhorn Rd. in Trenton,
and 15200 Trenton Rd. in Southgate.*

Purple Heart organization will pick up your used magazines (less than 2 years old) for distribution to various organizations.

Recycling Program (continued)

Dear City Residents,

As you may have noticed, the City of Flat Rock has a new solid waste collection and recycling contractor, Rizzo Environmental. As part of their service, the City of Flat Rock is pleased to introduce the Rizzo Rewards Recycling program to all residents! This program offers households in the City of Flat Rock the opportunity to save money each year on purchases from area businesses simply for recycling. As part of this program, Rizzo is offering, free of charge, a new 67 gallon wheeled recycling cart. **Please give Rizzo Services a call at 1-586-772-8900 to request a new Recycling can if you are interested.** You may continue using your existing green tote as well if you choose.

The Rewards program is very easy. Log on to www.RizzoRewards.com and follow the instructions or call 1-888-234-8211 to start your account and redeem your coupons. Every time you recycle, your home will be credited so that you have access to savings from several Flat Rock area businesses. Save money and join the City-wide effort to help the environment, diverting additional recyclables away from Michigan disposal sites. This also saves the City money on landfill fees by reducing the amount of trash that is sent to the landfill. This program is not run by the City so if you have any questions, please call the number above.

If you don't have internet access, public access is available at the Flat Rock Public Library at 25200 Gibraltar Rd, Flat Rock, MI.

There are numerous benefits to our community as well as for the environment that come from active recycling. Statistics clearly show that much of our everyday household garbage is made up of materials that can be recycled. Enclosed is an informational sheet that illustrates what can and cannot be recycled.

Our city council strongly urges every household to participate in this important initiative. By becoming an active part of the Recycling Program, you will be protecting our environment, supporting local businesses and saving money in the process.

Thank you for your participation.

Sincerely,

Jonathan Dropiewski
Mayor

Composting Program

During the months of April through November, the City participates in a curbside composting program. The following items are acceptable:

- Flowers
- Leaves
- Grass Clippings
- Vegetable Pruning
- Garden and Yard Waste
- Small Twigs (No wider around than a pencil)
- Other "soft" yard waste

Collection Requirements:

Residents must use one of the following methods for the separate curbside collection of yard waste:

1. 30 gallon size (or less) trash can with "YARD WASTE" sticker
2. 30 gallon paper compost bags which may be purchased from the City of Flat Rock or from local merchants

Sticker Use:

"**YARD WASTE**" stickers are available at City Hall and the Police Department lobby. Cans containing yard waste should be placed at the curb with the sticker facing the street.

IMPORTANT:

Do not mix yard waste with trash!
Do not put stickers on compost bags!

Separated yard waste should be placed at the curb next to rubbish and recyclables on your regular collection day.

The use of stickered trash cans for compost collection is urged because over a period of time, trash cans cost less than bags; most trash cans have lids to reduce odor; and cans eliminate all bag material at the compost site, thus creating a better quality compost.

Special Trash Pick-Ups

The City of Flat Rock provides “pick-up service” each Monday throughout the City, starting at Matilda and working easterly, for the below listed items, and the following regulations must be observed in order to facilitate this service:

Bushes, limbs, and vines should be assembled in reasonable bundles, and cut no more than 4’ lengths with cut ends facing the same way so they can be fed into the chipper. Do not mix thorn bushes or limbs in brush piles.

Trees over 6” in diameter should be cut into 4’ to 5’ lengths.

Trees and bushes to go through the chipper must have the roots cut off so that no dirt remains.

Roofing materials is to be placed in boxes or containers.

Concrete to be broken into reasonably small pieces and placed on the driveway approach.

Any lumber, if nailed together, is to be taken apart; and cut into no more than 4’ lengths. Nails to be bent over or removed.

Any material left at the curb by a contractor for work performed; tree limbs, brush, concrete pieces, roofing materials, etc. will be the responsibility of the contractor or property/home owner for removal.

If the items you have set out are not picked up on Monday, do not worry as the work crew may not have been able to reach your street on Monday and will be continuing the following day.

Large items such as stoves, washing machines, dryers, and refrigerators should be placed on the driveway approach the night before your regular trash pick-up. Refrigerators must have the door(s) removed. The freon will be removed by the City of Flat Rock or its contractor.

Bring Everlasting Honor and Celebrate a Special Person or Occasion by Purchasing a Tree

The Beautification Commission has contracted the professional services of Schodel's Nursery based on pricing, selection, groundwork and a one-year Warranty.

The timeless beauty of each tree will grace the grounds of Huroc Park and the Flat Rock Community Park. There are several distinctive trees to choose from, which can be purchased by individuals or groups.

In the fall season of each year, the Beautification Commission will sponsor a dedication ceremony. Once the tree is planted, it becomes the property of the City of Flat Rock.

Pricing and Selection:

\$330.00 per tree \$375.00 with marker
 • Crimson Maple

\$310.00 per tree \$355.00 with marker
 • Little Leaf Linden
 • Red Sunset Maple
 • Emerald Queen Maple

\$260.00 per tree \$305.00 with marker
 • Bradford Pear
 • Chinese Dogwood
 • Crabapple

Stop in at Flat Rock City Hall or mail in your completed order form (on next page) and check to:

FLAT ROCK BEAUTIFICATION COMMISSION
 25500 Gibraltar Road
 Flat Rock, Michigan 48134
